Story

A desperate battle between the human race and "Bazon", who intends to exterminate all living things on the earth, grew intense.

Lieutenant Henry and Sergeant Sanders landed on the earth operating "Mabilsuits".

Can they save the blue globe?

How to play

The right button fires to the right and the left button fires to the left. The power selector button is used to choose the stored weapons when needed.

When the player shoots "pow", it turns and gives various kinds of additional fire power which the player can choose.

| | | | |
|--|--|---|--|
|  | SPEED UP Gives additional speed to the player. Increases speed 1 to 3 times. |  | MEGA BAZOOKA LAUNCHER Causes big damage. Increases firepower range 1 to 2 times. |
|  | SPEED DOWN Speed downs. Reduces speed by 1 level. |  | 3-WAY SHOT Shoots in 3 directions. Increases firepower 1 to 2 times. |
|  | BIT Turns and shoots. Increases firepower 1 to 3 times. |  | |
|  | SHOT GUN Shoots in a fan-shaped range. Increases firepower angle 1 to 3 times. | | |

2 players can play simultaneously!

In order to clear a round the player must defeat all the fierce enemies in the round.

There are hidden powers in  and .

If one of the players gets a "Combination pow", two players will be combined.

Alpha Combination

Beta Combination
